

California Botanical Society

December 15, 1917

"Fate cannot harm me; I have dined to-day."

THE MENU CENSORED

Creme de *Apium graveolens* et *Fogium californicum*
Cum Crakerum salinum

Hooverized proteids and Burbankized plants
With Concentrated sunshine
Dutton's Own and Kipling contradicted

A mixture of goodies; if there's one that's forbidden,
You're clever to find it, for it's very well hidden.

Arachis hypogaea et *Olea europaea*
Cum Grano salis

Coffea occidentalis
